

Dear Hiring Manager,

I am thrilled to apply for the Senior Product Engineer (Full-stack) position at deepset GmbH, as advertised on your website. With a strong passion for building innovative products and a keen interest in AI, I am excited about the opportunity to join your team in Berlin, Germany.

As a seasoned full-stack engineer with a proven track record of delivering high-quality products, I am confident that my skills and experience align with the job requirements. My expertise in designing, developing, and deploying scalable software applications, along with my proficiency in a range of programming languages and technologies, makes me a strong fit for this role. I am particularly drawn to deepset's commitment to open-source and community-driven initiatives, and I am impressed by the company's innovative approach to AI and NLP.

With a strong online presence, including my LinkedIn profile (<https://www.linkedin.com/in/asim-bilal-0b8aa564/>), I have demonstrated my ability to collaborate with others, share knowledge, and learn from the community. I am eager to bring my skills and experience to deepset and contribute to the development of cutting-edge products that have the potential to make a significant impact.

I am excited about the opportunity to discuss my application and how my skills and experience align with the company's goals. Thank you for considering my application. I look forward to the opportunity to meet with you to discuss this further.

Best regards,

Asim Bilal
