Dear Hiring Manager,

I am excited to apply for the Senior Full-Stack Engineer position at Jedox, where I can utilize my technical expertise to drive innovation and growth. As a seasoned engineer with a strong passion for developing scalable and efficient software solutions, I am confident that my skills and experience make me an ideal fit for this role.

With over 8 years of experience in full-stack development, I possess a deep understanding of both front-end and back-end technologies. My expertise in languages such as JavaScript, HTML/CSS, and SQL, as well as frameworks like React and Node.js, has enabled me to deliver high-quality solutions that meet the needs of various clients. I am well-versed in agile development methodologies and have a proven track record of collaborating with cross-functional teams to design, develop, and deploy complex software applications.

I am particularly drawn to Jedox's commitment to innovation and its focus on providing cutting-edge solutions to its customers. As a Berlin-based professional, I am impressed by the company's presence in the German market and its reputation for excellence. I am excited about the prospect of joining a talented team of engineers and contributing my skills and experience to drive success.

Thank you for considering my application. I would welcome the opportunity to discuss my qualifications further and explore how I can contribute to Jedox's continued growth and success.
